

SECTION 1 – Purpose

The purpose of this section is to establish a process and standards for the establishment, construction, and operations of medical marijuana facilities, pursuant to the Pennsylvania "Medical Marijuana Act" (PA Act 16, 2016) to allow for the integration of an allowed industry while providing for the protection of the public's health, safety, morals, and general welfare.

SECTION 2 - District Regulations

- A. Academic Clinical Research Centers are permitted in the (**Industrial and/or Commercial**) district, with consideration for the applicable performance standards found in §4A of this ordinance.
- B. Medical Marijuana Grower/Processors are permitted in the (**Industrial**) district, with consideration for the applicable performance standards found in §4B of this ordinance.
- C. Medical Marijuana Transport Vehicle Offices are permitted in the (**Industrial**) district, with consideration for the applicable performance standards found in §4C of this ordinance.
- D. Medical Marijuana Dispensaries are permitted in the (**Commercial**) district, with consideration for the applicable performance standards found in §4D of this ordinance.

SECTION 3 – Definitions

- A. **ACADEMIC CLINICAL RESEARCH CENTER** - An accredited medical school within this Commonwealth that operates or partners with an acute care hospital licensed within this Commonwealth.
- B. **CAREGIVER** - The individual designated by a patient to deliver medical marijuana.
- C. **CERTIFIED MEDICAL USE** - The acquisition, possession, use or transportation of medical marijuana by a patient, or the acquisition, possession, delivery, transportation or administration of medical marijuana by a caregiver, for use as part of the treatment of the patient's serious medical condition, as authorized by certification by the Commonwealth.
- D. **CLINICAL REGISTRANT** - An entity that:
 - 1. Holds a permit both as a grower/processor and a dispensary; and
 - 2. Has a contractual relationship with an academic clinical research center under which the academic clinical research center or its affiliate provides advice to the entity, regarding, among other areas, patient health and safety, medical applications and dispensing and management of controlled substances.
- E. **DISPENSARY** - A person, including a natural person, corporation, partnership, association, trust or other entity, or any combination thereof, which holds a permit issued by the

Medical Marijuana Model Ordinance 2019

Department of Health (DOH) of the Commonwealth to dispense medical marijuana.

- F. **FORM OF MEDICAL MARIJUANA** - The characteristics of the medical marijuana recommended or limited for a particular patient, including the method of consumption and any particular dosage, strain, variety and quantity or percentage of medical marijuana or particular active ingredient.
- G. **GROWER/PROCESSOR** - A person, including a natural person, corporation, partnership, association, trust or other entity, or any combination thereof, which holds a permit from the DOH to grow and process medical marijuana.
- H. **IDENTIFICATION CARD** - A document issued by the DOH that permits access to medical marijuana.
- I. **MEDICAL MARIJUANA** - Marijuana for certified medical use as legally permitted by the Commonwealth of Pennsylvania with Act 16.
- J. **MEDICAL MARIJUANA ORGANIZATION or FACILITY** - A dispensary or a grower/processor of marijuana for medical purposes.
- K. **MEDICAL MARIJUANA DELIVERY VEHICLE OFFICE** - Any facility used to house delivery vehicles for supplying marijuana plants or seeds to one or more marijuana grower/processors and/or dispensaries.
- L. **REGISTRY** - The registry established by the DOH for all medical marijuana organizations and practitioners.

SECTION 4 – Use Regulations

A. ACADEMIC CLINICAL RESEARCH CENTERS.

1. An academic clinical research center may only grow medical marijuana in an indoor, enclosed, and secure building which includes electronic locking systems, electronic surveillance and other features required by the DOH. The grower/processor facility shall not be located in a trailer, cargo container, mobile or modular unit, mobile home, recreational vehicle or other motor vehicle.
2. All external lighting serving an academic clinical research center shall be shielded in such a manner to not allow light to be emitted skyward or onto adjoining properties.
3. Parking requirements shall follow the parking schedule found in (**Section __**) of the Zoning Ordinance as listed for public or private educational institution use.
4. A buffer planting is required where an academic clinical research center adjoins a residential use or district.

B. MEDICAL MARIJUANA GROWER/PROCESSOR.

1. A medical marijuana grower/processor may only grow medical marijuana in an indoor, enclosed, and secure building which includes electronic locking systems, electronic surveillance and other features required by the DOH. The grower/processor facility shall not be located in a trailer, cargo container, mobile or modular unit, mobile home, recreational vehicle or other motor vehicle.
2. The floor area of a medical marijuana grower/processor shall include sufficient space for production, secure storage of marijuana seed, related finished product cultivation, and marijuana related materials and equipment used in production and cultivation or for required laboratory testing.
3. There shall be no emission of dust, fumes, vapors, odors, or waste into the environment from any facility where medical marijuana growing, processing or testing occurs.
4. Marijuana remnants and byproducts shall be secured and properly disposed of in accordance with the DOH Policy and shall not be placed within any unsecure exterior refuse containers.
5. The grower/processor shall provide only wholesale products to other medical marijuana facilities. Retail sales and dispensing of medical marijuana and related products is prohibited at medical marijuana grower/processor facilities.
6. All external lighting serving a medical marijuana grower/processor shall be shielded in such a manner to not allow light to be emitted skyward or onto adjoining properties.
7. Parking requirements shall follow the parking schedule found in (Section __) of the Zoning Ordinance as listed for a manufacturing use.
8. A buffer planting is required where a medical marijuana grower/processor adjoins a residential use or district.
9. Entrances and driveways to a medical marijuana grower/processor shall be designed to accommodate the anticipated vehicles used to service the facility.
 - A. All accesses shall secure the appropriate highway occupancy permit (State or Borough).
 - B. The clear sight triangle shall be considered and maintained.
 - C. The driveway shall be designed and improved to the standards expressly described in (Section __) of the Zoning Ordinance.
10. Loading and off-loading areas within the structure are preferred. If an external loading dock arrangement is designed it shall be from within a secure environment.

C. MEDICAL MARIJUANA TRANSPORT VEHICLE SERVICE

1. All external lighting serving a medical marijuana transport vehicle service shall be shielded in such a manner to not allow light to be emitted skyward or onto adjoining properties
2. Parking requirements shall follow the parking schedule found in (Section __) of the Zoning Ordinance as listed for wholesale and warehousing use.
3. A buffer planting is required where a medical marijuana transport vehicle service adjoins a residential use or district.
4. Entrances and driveways to a medical marijuana transport vehicle service shall be designed to accommodate the anticipated vehicles used to enter and exit the premises.
 - A. All accesses shall secure the appropriate highway occupancy permit.
 - B. The clear sight triangle shall be considered and maintained.
 - C. The driveway shall be designed and improved to the standards expressly described in the Zoning Ordinance.
5. If for some reason a medical marijuana product is to be temporarily stored at a medical marijuana transport vehicle service facility, the facility shall be secured to the same level as a medical marijuana grower/producer and dispensary.
6. Loading and off-loading areas within the structure are preferred. If an external loading dock arrangement is designed it shall be from within a secure environment.

D. MEDICAL MARIJUANA DISPENSARY

1. A medical marijuana dispensary shall be legally registered in the Commonwealth and possess a current valid medical marijuana permit from the DOH.
2. A medical marijuana dispensary may only dispense medical marijuana in an indoor, enclosed, permanent, and secure building and shall not be located in a trailer, cargo container, mobile or modular unit, mobile home, recreational vehicle or other motor vehicle.
3. A medical marijuana dispensary may not operate on the same site as a facility used for growing and processing medical marijuana.
4. Medical marijuana dispensaries shall have a single secure public entrance and shall implement appropriate security measures to deter and prevent the theft of marijuana and unauthorized entrance into areas containing medical marijuana.

Medical Marijuana Model Ordinance 2019

5. A medical marijuana dispensary shall be used for secure storage of product, and shall have an interior customer waiting area equal to a minimum of twenty-five (25) percent of the gross floor area.
6. A medical marijuana dispensary shall:
 - Not have a drive-through service;
 - Not have outdoor seating areas
 - Not have outdoor vending machines;
 - Prohibit the administering of, or the consumption of medical marijuana on the premises;
 - Not offer direct or home delivery service.
7. A medical marijuana dispensary may dispense only medical marijuana to certified patients and caregivers and shall comply with all lawful, applicable health regulations.
8. A medical marijuana dispensary may not be located within **500** feet of the property line of a public, private or parochial school or a day-care center. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the business is conducted or proposed to be conducted, to the closest property line of the protected use, regardless of municipality in which it is located.
9. A medical marijuana dispensary shall be a minimum distance of **1,000** feet from the next nearest medical marijuana facility. This does not include complementing or supporting businesses covered by different definitions. This distance shall be measured in a straight line from the closest exterior walls of the buildings or portions thereof in which the businesses are conducted or proposed to be conducted, regardless of municipality in which it is located. This separation distance does not apply to the distance between the grower/processor or academic clinical research centers and the specific dispensary they serve, or with which they partner.
10. Any medical marijuana facility lawfully operating shall not be rendered in violation of these provisions by the subsequent location of a public, private or parochial school or a day-care center.
11. All external lighting serving a medical marijuana dispensary shall be shielded in such a manner to not allow light to be emitted skyward or onto adjoining properties.
12. Parking requirements shall follow the parking schedule found in (**Section __**) of Zoning Ordinance as listed for medical and dental offices including outpatient clinics.
13. A buffer planting is required where a medical marijuana dispensary adjoins a residential use or district.
14. Entrances and driveways to a medical marijuana dispensary shall be designed to accommodate the anticipated vehicles used to service the facility.

Medical Marijuana Model Ordinance 2019

- A. All accesses shall secure the appropriate highway occupancy permit.
 - B. The clear sight triangle shall be considered and maintained.
 - C. The driveway shall be designed and improved to the standards expressly described in the Zoning Ordinance.
15. Loading and off-loading areas within the structure are preferred. If an external loading dock arrangement is designed it should be from within a secure environment.

SECTION 5 – Administration and Enforcement

A. Building and Zoning Permits/Approvals.

- 1. A zoning permit shall be required prior to obtaining a building permit. For the construction or erection of a building; the alteration of a building or portion thereof; the use or change in use of a building or land; or any adjustments to a nonconforming use.
- 2. The (Township/Borough) zoning permit application shall be completed.
- 3. Permit fees shall be as stipulated in the fee schedule adopted by resolution of the (Board of Supervisors/Borough Council) in effect at the time of application.
- 4. Permits may be denied if the applicant is failing to comply with any state or local law or regulation.
- 5. In the case of new construction, meeting the PA MPC definition land development plan application is required to be submitted and an approval secured, prior to establishment of the use.
- 6. If the application is to change the use of a building, or needs to demonstrate allocation of space within a structure, the applicant shall provide architectural drawings prepared by an architect registered in the Commonwealth of Pennsylvania.
- 7. A medical marijuana grower/processor shall be legally registered in the Commonwealth and possess a current valid Medical Marijuana Permit from the DOH.

SECTION 6 – Severability

If any section, subsection, sentence, clause or phrase or portion of this document is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion thereof.

SECTION 7 – Penalties

Medical Marijuana Model Ordinance 2019

Any Owner, Operator, or other person who violates or permits a violation of this chapter shall, upon being found liable therefore in a civil enforcement proceeding before a Magisterial District Judge, pay to the (Township/Borough) a fine of not more than \$500, plus all court costs, including but not limited to reasonable attorney's fees incurred by the (Township/Borough) on account of such violation. No penalty or cost shall be imposed until the date the determination of the violation by the Magisterial District Judge becomes final. If the defendant neither pays nor timely appeals the judgment, the (Township/Borough) may enforce the judgment as provided by law. Each day a violation exists after final judgment shall constitute a separate offense. The amount of the fine imposed shall be multiplied by the number of such days and may be charged and collected by the (Township/Borough) without further judicial proceedings. Further, the appropriate officers or agents of the (Township/Borough) are hereby authorized, to issue a cease and desist notice and/or to seek equitable relief, including injunction, to enforce compliance herewith. No Bond will be required if injunctive relief is sought by the (Township/Borough). A person who violates this Ordinance shall also be responsible for the (Township/Borough) attorney's fees, engineering fees, expert fees and court costs reasonably incurred by the (Township/Borough) on account of such violation.
